

## Breastfeeding in Mississippi: Empowering Hospitals and Communities

Jackson Marriott Hotel  
200 Amite Street Jackson, MS  
Tuesday, May 19, 2015  
10:00 a.m. – 4:00 p.m.

Join hospital and clinical staff, health care administrators, community members and other leaders for an **interactive conference** that will focus on **breastfeeding support** and related **quality improvement initiatives** in Mississippi. Participants will learn how to create environments that provide **evidenced based support** for nursing moms and their families with an emphasis on **hospital/community collaborations**.

**The plan for the day includes sessions on the following:**

- **science behind the breastfeeding recommendations**
- reports from birthing facilities that have **implemented evidenced based infant nutrition and care practices**
- real life **panel discussions from breastfeeding families**
- **identifying barriers and how to empower families** through breastfeeding best practices

To register, please visit the Pre-Conference Workshop section of the 7th Annual Empowering Communities for a Healthy Mississippi Conference website: <http://healthyms.com/empowering>
