Jackson Marriott

## KEYNOTE:

Jessica Grossmeier, PhD, VP of Research, HERO

## AGENDA:

### *Metabolic Conditions and Employers:*

Marshall Boldin, MD, Southern Health Network

Pete Avara, MD, BARINET

Annette Lowe, MD, Merit Health

### *Encouraging Health and Wellness*

Scott Foster, President of WELCO

### *Plus :*

Employer Stories: Mississippi's leading companies  
Worksite Wellness in Mississippi and in state agencies

Physical Activity at work and in the community

Healthy Foods and Eating Ideas

Healthy Babies and Families

And other elements of healthy communities . . .

This conference is for employers, public health, health care, and community health advocates who are interested in learning more about what leading companies are doing to manage their employer health and productivity costs and how they are working with leaders in the community to improve healthy choices. Leading industry experts will be on hand to share ideas and facilitate discussion on how employers are a vital part of supporting a healthy workplace and a healthy community. The conference is presented by the Mississippi Business Group on Health and the Mississippi State Department of Health.
