

Other Information

We make every effort to keep our conference room temperatures as comfortable as possible. However, some individuals find a sweater or jacket helpful. Although rarely necessary, we reserve the right to substitute an instructor of like qualifications or a subject of similar interest.

Employees will badge in for each session individually. You will not receive a certificate the day of the conference. You will go onto HealthStream to print a copy of your certificate. Information will be provided in your conference packet.

Registration & Fees

Name _____

Title/Position _____

Organization _____

EMERGENCY MEDICINE SYMPOSIUM

JANUARY 30, 2015

Program Purpose

The purpose of this one-day activity is to review and update knowledge and competence in areas identified through various needs assessments targeting emergent care in our local region. The topics

chosen are designed to focus on disease states that present daily to emergency medicine providers taking care of patients both pre-hospital and in the emergency departments.

Program Accreditation

North Mississippi Medical Center is accredited by the Mississippi State Medical Association to provide continuing medical education for physicians.

North Mississippi Medical Center designates this educational activity for a maximum of 6.75 AMA PRA Category 1 credit(s)[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

The Education Department of NMMC is an approved provider of continuing education by the Mississippi Nurses Foundation, Inc., an accredited provider by the American Nurses Credentialing Center's Commission on Accreditation.

ADA Statement

NMMC fully complies with the legal requirements of the ADA and the rules and regulations thereof. If any participant of the educational activity presented by NMMC is in need of special accommodation, please do not hesitate to call (662) 377-3900 at least two days prior to the activity.

Faculty Disclosure

Current guidelines state that all speakers and planners of a CME approved activity must disclose to the audience any real or apparent conflict(s) of interest related to the content of the presentation. Faculty are also expected to inform the audience whether or not their presentations will include discussion of an unlabeled or investigational use of a product or device not yet approved by the FDA for the use being presented. All disclosures will be available to each attendee in the activity packet which will be distributed prior to the beginning of the conference.
