the ICIF – there was no			•	
specific request from MTAC		specific request from MTAC		

		T		
	for any further specific			
	information; however, Dr.			
	Donald called for an MTAC			
	"Advocacy Subcommittee."			
	The following MTAC			
	members volunteered to serve:			
	Dr. Deschamp and Ms. Kyle -			
	the intent of the group is to			
	examine future opportunities			
	for advocacy.			
Case Presentation	Dr. Miller presented a success			
	story from the Central Trauma			
	Region and tied it to the ability			
Dr. Miller	of the trauma care regions to			
	purchase equipment, which			
	although primarily used for			
	Trauma, as was the situation in			
	this case, may be used to save			
	the lives of other types of			
	patients, as well.		** ** 1	
State Medical Director	CEC made the following	Ms. Kyle will reach out to	Ms. Kyle	Next
Report/CEC/PI	recommendation:	level 1 and level 2 facilities		Meeting
	That MTAC adopt	for input about TQIP and will		
	changes in the Rules	meet with L1 and L2 facilities		
Dr. Donald	and Regulations as to	to discuss a potential		
	the TNCC	collaborative.		
	requirement;			
	specifically that Level			
	I trauma center			
	nursing staff be			
	required to take TNCC			
	at least once but not			
	required to retake			
	TNCC so long as they			
	are working at the			
	Level I facility and			
·	taking care of trauma			
	patients regularly			
	• And that Level 2, 3 &			
	4 trauma center			
	nursing staff continue			
	to be required to take			
	TNCC or ATCN			
	annually			
	 That Level 4 facilities 			
	be given the option to			
	take the RTTDC			
	CEC manuscript descript			
	CEC requested consideration			
	be given to using TQIP; Dr.			

Donald noted that TQIP is a tremendous resource; noted that a limited number of facilities currently use TQIP; there was discussion that it might be cost prohibited and increase registrar workloads; it was noted that this could be something to take to the legislature in the coming year; CEC would like to see the Stop the Bleed program expanded to schools; possibly getting a grant from Homeland Security; and would like to facilitate an active shooter drill at the capital. State PI is looking at: Transfer time using two data points; the decision to transfer and the time the patient leaves the facility They are also looking at additional education for surgeons and possibly a MS/AL regional TOPIC course to combine funding resources

]			
Ad Hoc Discussion	Dr. Donald presented a request for Functionality and Rules/Regs to look at essential versus desirable equipment for level 4 centers; raised the question as to whether there could be some equipment grant money from the state or regions for items and training to stabilize the patient prior to transport.	Functionality and Rules/Regs committee to review and report back to MTAC	MTAC meeting following the meetings of said committees	Dr. Deschamp & Ms. Kyle
MHA	Mr. Hall relayed information from Mr. Roberson who expressed excitement on legislative funding but was disappointed the DUI legislation failed. MHA will continue to look for additional funding sources.			
MATA Ms. Grisham (standing in for Ms. Gail Thomas)	Ms. Grisham announced the two in-state upcoming region sponsored trauma conferences: Coast/Central Conference to be held May 14-16 at the IP in Biloxi targeting pediatric trauma Delta/North Conference to be held August 14-16 showcasing the 20th anniversary of the system of care			
	Ms. Grisham also shared some outreach efforts going on in her region in which local PTOs had purchased Stop the Bleed kits and were sponsoring STB training at no			

	cost to the trauma system or		
	region.		
Region Reports	Provided in the member		
	binders		
Sub-Committee Reports	Rules and Regulations		
Sub-Committee Reports			
	Ms. Windham		
	provided the report		
	- Latest proposed		
	rule changes have		
	been sent to the		
	BOH for approval		
	(meets tomorrow)		
	Functionality		
	Dr. Deschamp		
	provided the report		
	- Looking at EMS		
	wall times; this is		
	a big concern for		
	EMS; the question		
	is: who is		
	responsible for the		
	patient prior to		
	admit?		
	- Mr. Craig relayed		
	that he has asked		
	for an AG opinion		
	on the roles and		
	responsibilities of EMS/Facility		
	- UMMC is		
	conducting		
	detailed research		
	to find out why		
	this is happening		
	- San Antonio is a		
	model to perhaps		
	study for figuring		
	out how to reduce		
	wall times; they		
	have a centralized		
	EMS dispatch,		
	thereby		
	eliminating wall		
	times over 30		
	minutes.		

	- The committee		
	meets next week		
	Registry		
	itegisery		
	 Mr. McManus 		
	provided the report		
	- Noted the intent to		
	survey trauma		
	center registrars to		
	try and learn more		
	about that their		
	jobs entail		
	- The committee is		
	also looking at		
	national trauma		
	data fields to sync		
	with the registry - He thanked Ms.		
	Kyle for the recent		
	TPM and TPR		
	classes		
	Classes		
	Burn		
	 Mr. Galtelli provided 		
	the report		
	- Upcoming ABLS		
	classes will be		
	offered on 5/16 &		
	5/17 in the central		
	part of the state		
	and on 5/23 in the		
Now Proinces	north Ma Windham presented the		
New Business	Ms. Windham presented the		
	trauma dashboard and asked		
	what measures does the		
	committee want to see at a		
	system level. BACS needs		
	feedback such as mortality		
	rate, discharge disposition,		
	diversion status, transfers out		
	of the region. Dr. Donald said		
	it would be good to know		
	where our surgeons are in the		
	state and if they take call. This		
	dashboard will show areas for		
	improvement and show trends		
	on a statewide level.		

Other/Non-Agenda Item(s)	Mr. Oliver stated that Wade would like to see the committee reports sent out prior to MTAC for member review
Adjourned to Executive Session: 11:33 a.m.	Minutes by Margaret Cooper/DBH
