4.	ASLP-IC Compact	Ms. Wang informed the Council about the updates given at the ASLP-IC commission meeting in North Carolina on 10/07/2023: <ul style="list-style-type: none"> - Each state will retain authority over licensees and grant privilege to practice (where the licensee's home state is) - Data system update – ASLP-IC has been talking with the NLCC to purchase access to their database, which would cost \$50K, and then still would have to pay the vendor for maintenance and use. CSG has been working pro bono and has held a joint meeting with ASLP-IC, the OT compact, and counselors compact to approve a joint RFP, where a basic package would cost \$1-\$1.5M for the data system, and would take a 4-6 month build out (after approval on 11/20/2023). It is expected for late spring/early summer for a basic system for ASLP-IC, and then would need to implement in each state. - Compact will require a FBI background check and fingerprinting
5.	Complaint Update	Ms. Wang informed the Council that no complaints have been received since the last meeting.
