

MISSISSIPPI STATE DEPARTMENT OF HEALTH

**VERIFICATION OF INSTRUCTOR  
EMERGENCY DRIVING CLASSES GUIDELINES FORM**

The following is a list of guidelines for teaching driving classes in Mississippi:

All driving instructors

- Must be state certified as a driver
- Possess a valid driver’s license
- Possess a certificate of completion from the Instructor’s driving course with a minimum of 16 (sixteen) hours instruction, date of completion and expiration date.
- **Maintain driving instructor status and show written documentation for providing at least 3 (three) driving training programs annually.**
- Possess certificate of completion for a minimum of 8 (eight) hours driving instructor refresher training every 3 (three) years. Certificate must show course hours, date of completion and expiration date.

I have read the above guidelines set forth by the Bureau of Emergency Medical Services for Emergency Driving classes and agree to follow these guidelines.

I will submit to the BEMS Office a Course Request Form **14 (fourteen) days** prior to instructing each class and submit a roster within 5 (five) working days of completion of class.

*(Please attach with the form a copy of your Driving Instructor certificate.)*
