

# COMMUNITY WORKSHOP INVITATION

SAVE THE DATE - JUNE 26TH, 2025

## Water and Wastewater Infrastructure Funding Opportunities in Mississippi

June 26th, 2025 - Hattiesburg, Mississippi

The Water Finance Exchange (WFX) and Communities Unlimited (CU) are hosting a workshop, *Water and Wastewater Infrastructure Funding Opportunities in Mississippi*, to provide information on funding opportunities, technical assistance, and compliance needs for water and wastewater systems in the state. This half-day workshop will consist of a series of presentations from state and federal funding program managers, compliance managers, and technical assistance providers, followed by an opportunity for attendees to speak directly with agencies and technical assistance organizations about their system needs.

Featured speakers include the Mississippi Department of Health, the Mississippi Department of Environmental Quality, the Mississippi Water and Pollution Control Operators' Association, the Mississippi Rural Water Association, and more. Light breakfast and lunch will be provided.

We would like to extend an invitation to attend this workshop, which will be held in Hattiesburg, Mississippi, at a venue that is to be determined. The workshop will be on June 26th, 2025, beginning at 9:00 am and ending no later than 2:00 pm. Workshop organizers are working on approval for Continuing Education Units (CEUs) for Certified Waterworks Operators under the Mississippi Department of Health.

Registration for the workshop is open at the link below. Additional information, including the agenda and specific location of the workshop, will be shared in the next few weeks. To ensure you receive that information, we encourage you to register at the link below.

## Registration Instructions

- [Click here](#) to go to the registration page
- In the dropdown menu labeled "Workshop", select **Hattiesburg, Mississippi - June 26th, 2025**
- Fill in the remaining information on the page
- Click "Send"
- We will contact you with further information and updates as the event gets closer

Please feel free to reach out with any questions to Nicole Ramirez, WFX's Communications and Programs Manager, at [nramirez@waterfx.org](mailto:nramirez@waterfx.org).
