Re: Consumer Confidence Report (CCR) Violation for Town of Pace - **PWS ID #0060014**

Dear Public Water System Official:

Our records indicate that your 2024 Consumer Confidence Report (CCR) was not submitted to this office nor to your customers by July 1, 2025. Therefore, your public water system has incurred a violation (**code 71**) for failure to report.

However, since we have now received your CCR, your system has been returned to compliance for that violation effective July 21, 2025.

NOTE: The statement "**Our system received a CCR violation for 2025 for not submitting this report by July 1st deadline**" must be on your next year's CCR.

Should you find this letter in error, please contact me immediately at (601) 576-7518 or joan.cockrell@msdh.ms.gov.

Sincerely,

A handwritten signature in cursive script that reads "Joan Cockrell".
