IV	Reports a. Office of EMS & ACS b. Mississippi Healthcare Alliance i. CARES Update ii. Financial Update	Office of EMS & Acute Care Systems: Ms. Windham provided updates: <ul style="list-style-type: none"> STEMI update – Four STEMI facilities need designation visits. If you're designated by a nationally accredited organization, please send MSDH the letter and we can assist with reciprocity process. EMS - STEMI & Stroke update – If you are ground or air services, please call in those notifications early. We are starting an EMS PI Committee. If EMS individuals are interested in being on this committee, please notify Ms. Windham. Please get PI cases to the state two weeks in advance if the case needs to be presented. Before we have the STEMI or Stroke meeting, MSDH will reach out to you with specific outliers. Stroke Update – Ms. Windham, Ms. Berry or Ms. Day will be reaching out to stroke centers about their stroke designation. If you are accredited by a national organization, all we will need is your letter and then your center will receive reciprocity. If your center is not accredited by a national organization and you wish to be a MS stroke designated center, we will need to visit you. In the next few weeks, the advisory committee members will receive an email or letter that will have the stroke and STEMI care plan. Please vote on those and send them back and we will get it to the Board of Health to have it published on the website. MHCA Report: Ms. McGregor provided updates: <ul style="list-style-type: none"> CARES Update – We had 1595 patients in the registry, 25 EMS agencies were able to participate, and 48 hospitals participated.
