

MISSISSIPPI STATE DEPARTMENT OF HEALTH

CANCELLATION OF SOLICITATION

October 5, 2021

RE: RfX #3160004505 Reagent Rental Agreement for FDA Approved 4th Generation Immunoassay System to detect HIV 1, 2 Antigen/Antibody Combo Assay and Hepatitis

To Whom it May Concern:

This notice is provided to inform all interested parties that Mississippi State Department of Health (MSDH) has determined that it is in the best interest of the State to cancel IFB No. 3160004505 Reagent Rental Agreement for FDA Approved 4th Generation Immunoassay System to detect HIV 1, 2 Antigen/Antibody Combo Assay and Hepatitis, pursuant to Section 3.112.04.1, of the Mississippi Procurement Manual, Effective 1/18/2020, Cancellation of Solicitation; Rejection of All Bids, Proposals, of the Mississippi Public Procurement Review Board (PPRB) because MSDH discovered ambiguous or otherwise inadequate specifications in the solicitation regarding pricing and supplies.

Thank you again for your interest in the Invitation for Bid (IFB) No. 3160004505 for Reagent Rental Agreement for FDA Approved 4th Generation Immunoassay System to detect HIV 1, 2 Antigen/Antibody Combo Assay and Hepatitis.

MSDH greatly appreciates your interest in this IFB. MSDH intends to issue another solicitation soon and encourages any interested company to submit a response.

Sincerely,

A handwritten signature in blue ink, appearing to read "Thomas Dobbs".

Thomas Dobbs, MD MPH
State Health Officer
