Notice is hereby given that the State Health Officer, Daniel Edney, MD, FACP, FASAM, in accordance with Section 41-7-197(3) of the Mississippi Code of 1972 Annotated, will issue a Final Order for the following project(s) no later than **August 28, 2026**

Small Community Hospital Pilot Program Exemption
Tracking Number: SCHP-ESRD-0726-003
Monroe Health Services, Inc. d/b/a North Mississippi Medical Center Gilmore-Amory
("NMMC Gilmore-Amory") License Number: 12-074
Establishment and Operation of an Out-Patient End-Stage Renal Dialysis ("ESRD") Facility
Capital Expenditure: \$3,550,000.00
Location: Amory, Monroe County, Mississippi
Public Health Region: North

Any person or entity that wishes to challenge the issuance of an exemption under the Pilot Program may file with the State Health Officer a written request for reconsideration within seven (7) calendar days of the State Health Officer's decision.

If a timely request for reconsideration is filed, the State Health Officer or the State Health Officer's designee shall conduct a hearing no sooner than fourteen (14) days and no later than twenty-one (21) days from the date of the original decision. Parties shall receive reasonable advance notice of the hearing date, time, and location.

The hearing shall be informal in nature, and there shall be no right to engage in discovery. The purpose of the hearing is to allow a party to offer an objection to the issuance of the exemption or to present, in a summary fashion, matters that may have been overlooked.

After the hearing, the State Health Officer may decide not to issue the exemption, to further consider the issuance of the exemption, or to reaffirm the original decision.

The State Health Officer's decision following reconsideration is final and not subject to judicial review, as provided by applicable law.
