Happy Tuesday!

I was communicating concerning the forwarded email/attachment below having wrong bid quote price listed on the update for Visionaires Corp on the forwarded Official Notice #2 Intent to Award email below.

Please see the attachments provided.

The \$24,700.00 is our bid quote price for multiple locations, I believe up to 35 locations (see attachments) . Which has the same Bid number that you have listed on the notification in the email forwarded.

My quote for Suite 120 5570 E. Woodrow Wilson Drive is a totally different quote for 2 - 96 gallon totes 4 times per year (quarterly)

The price table did not allow for a total cost to be tabulated as you can see in the attachment (\$802.50, \$125.00, & \$185.00) The frequency and unit cost did not tabulate like on former bid price tables.

So for further clarification my bid price submission that is listed as \$24,700 is for the multiple facility shredding contract was not tabulated to show a 2 X MONTHLY pick up and shred quote for 35 locations considering the logistics of travel, storage bins modifications, providing lock and key, etc.

I thank you in advance for your attention to this matter.
