Grants Management:  **OPENGGOV**  
Procurement: 

- 
- ☒ A single intake form for any type of procurement request.
  - ☒ Contracts, procurements, subgrants, and memorandums all processed in one place.
  - ☒ Postings on the public portal for any agreement type are viewable by anyone and anyone qualified may respond.
  - ☒ If community partners, vendors, and contractors are registered in the portal, they will receive notice of postings automatically.
  - ☒ Program areas determine the scope, deliverables and payment terms in the posting. Potential vendors upload their required documents directly in the portal.
  - ☒ The uploaded information and postings combine to create the agreement without additional actions from the program staff.
  - ☒ Agreements are signed in the portal and automatically posted for retention and publication.
