

Mississippi State Department of Health  
TO PROMOTE AND PROTECT THE HEALTH OF ALL MISSISSIPPIANS

**The CARE Project in Collaboration with the  
Mississippi Early Hearing Detection and Intervention  
Program and Mississippi State Department of Health  
Presents:**

**Virtual Professional Learning Experience:  
Changing the Culture of Communication  
Friday, January 24, 2025  
9:00am-12:00pm CT**

**Come together with other Mississippi Professionals  
for a Virtual Experience full of sharing & learning!  
The focus of this experience is to learn on a deeper level  
about the Emotional Journey of Families. Discover  
strategies and tools to help Change the Culture of  
Communication when working with families!**

**Communication Access can be requested through  
registration.**
