

### Declaration of Readiness (Stage 3)

In support of the Electronic Health Record (EHR) Meaningful Use Incentive Program, the Mississippi State Department of Health supports electronic submission of the following public health data. Supported implementation guides for each measure are detailed below the table.

|  | <a href="#">Electronic Lab Reporting</a>                       | <a href="#">Immunization Registry Reporting</a>   | <a href="#">Syndromic Surveillance Reporting</a>   | <b>Public Health Registries</b><br><a href="#">Cancer Registry Reporting only</a>  |
|--|--|---|--|--|
| <b>Healthcare Provider Type</b>                          |  |   |  |  |
| Eligible Professional (EP)                               | N/A  | YES   | YES  | YES  |
| Eligible Hospital (EH) and Critical Access Hospital(CAH) | YES  | YES   | YES  | N/A  |
|  | EPs are not eligible to choose Electronic Laboratory Reporting | <p>Providers who do not administer immunizations (childhood or adult) but have registered intent to interface with the Mississippi Immunization registry will need to select a Public Health Registry more applicable to the practice need.</p> <p>Providers with zero immunization volume will not be placed onto a waiting list or through the testing and production phases.</p> | <p>EPs are eligible to choose Syndromic Surveillance Reporting if:</p> <ol style="list-style-type: none"> <li>the facility is an Urgent Care <i>and</i></li> <li>the facility utilizes a hospital's EHR and their data is included in the hospital's Syndromic Surveillance interface <i>or</i></li> <li>the facility utilizes a separate EHR and the hospital's HIT infrastructure, such that one interface includes both the hospital's and clinic's Syndromic Surveillance data.</li> </ol> | <p>Only the following specialties are eligible to choose Cancer Registry Reporting:</p> <ul style="list-style-type: none"> <li>Oncology</li> <li>Radiation Oncology</li> <li>Dermatology</li> <li>Urology</li> <li>Gastroenterology</li> </ul> |

## **Implementation Guides:**

**Electronic Laboratory Reporting:** [Mississippi Electronic Laboratory Reporting Guide](#) (Based on the [HL7 Version 2.5.1 Implementation Guide: Electronic Laboratory Reporting to Public Health \(US Realm\)](#), Release 1, HL7 Informative Document (February 2010))
