

Cavity Free Kids Information

Cavity Free Kids is a train-the-trainer oral health curriculum that provides education about cavities, what causes the disease, and how it can be prevented. The curriculum was developed for child care directors and staff who work closely with parents and children. Those who participate will acquire knowledge, skills and resources to educate families and children. Hands-on training includes exercises that are fun and easy for parents and children to understand. The training is free and child care staff will receive two contact hours for attending. For more information, contact the Office of Oral Health at (601)206-1590.

- The goal of the CFK curriculum is to improve the oral health of young children who attend licensed child care centers.
- CFK is a two hour train-the-trainer course designed for center directors and staff that are interested in promoting and providing the curriculum training to staff, families and children in their centers.
- Participants will receive a CFK booklet, flash drive and two contact hours upon completion of the course.

Registration Instructions:
