Chambers <input checked="" type="checkbox"/> Mr. Steven Jones <input checked="" type="checkbox"/> Ms. Macy Bassett <input checked="" type="checkbox"/> Ms. Victoria Hickerson <input checked="" type="checkbox"/> Mr. John Gardner

Meeting Minutes

	AGENDA TOPIC	NOTES
I	Call to Order	Dr. Donald called the meeting to order 10:00
II	Roll Call	Quorum present.
III a.	Review of Minutes	M: Ms. Pam Wallis 2 nd : Dr. Wilson Minutes approved. No discussion.
III b.	i. BACS Update	Mr. Hall introduced Ms. Macy Bassett as the new Data Team Lead. Mr. Hall discussed House Bill 1614 which provides funding for EMS and SOC stated STEMI and STROKE SOC have received \$100k in additional funding. Mr. Hall expressed importance of staying under our transfer time of <130 minutes as written in the bill. The application process is still in development for freestanding facilities. Mr. Hall reports since 2009 more than \$262 million have been paid out through the trauma care trust fund. More than \$38 million have been paid out to EMS agencies since 2009. Mr. Hall reviewed uncompensated burn care and reported \$998,000 has been paid out in total. The RFP for the trauma registry is in progress and will be working on the RFP for the EMS registry, as well as working to try to use the same vendor as the trauma registry. Mr. Hall also reports the Field Triage for EMS has been recently updated and will be discussed further in EMSAC. No further questions or discussions. An EMS registry committee will be formed.
	ii. Clinical Update	Ms. Windham reported there will be 4 trauma designations over the next few weeks and there are 2 scheduled for on-site education visits. Reminder to Level 4 trauma centers, applications are due 120 days prior to designation expiration. Annual capability assessments will be out in next couple of weeks. Quarterly trauma system support meeting will be held in a couple of weeks. Ms. Windham presented a scorecard to look at key performance indicators over a rolling 12-month period. Ms. Windham also reviewed slides with graphs and pointed out the majority arrival mode for trauma patients is by EMS. TCI 1A-Mortality by age and location- reviewed regarding with the majority being in the older population. TCI 1B- Mortality by ISS-will be reviewed quarterly looking for trends.

Meeting Minutes

	AGENDA TOPIC	NOTES
		<p>TCI 2-TTA by Age, Alpha only. State PI committee is looking at ISS > 24 with no trauma team activation and investigating what level facility and why there was no trauma team activation.</p> <p>EDLOS average time in minutes for transfers to ACH. This measure is being monitored by State PI committee. CY 2021 reviewed by quarter.</p> <p>No discussion/questions.</p>
	<p>iii. State Medical Director Report</p>	<p>Dr. Donald reported CEC met this week and focused on field triage metrics. Discussion regarding use of brain injury guidelines regarding minor TBI that remain at Level 3. Main concern was if patient was admitted to level 3 without a neurosurgeon, in the event the patient did need an emergent surgical intervention, would the transfer to a higher level of care be done in a timely manner.</p> <p>STPIC- reviewing the following:</p> <ul style="list-style-type: none"> • ISS >24 and ISS 0-9 • transfer of trauma patients to meet goal • Burn transfer times. • Non-surgical admissions
<p>III c.</p>	<p>MTCSF</p>	<p>Mr. Garner provided update for MS Trauma Symposium. Education offerings – ABLS; Stop the Bleed, symposium, and cadaver lab. During symposium 17 participants in registry course offered by Bureau of Acute Care (BACS)</p> <p>Annual education has increased. Including education for EMS. STB (Stop the Bleed)-Mr. Gardner states 647 law enforcement first responders have been trained this year in STB. States schools have reached out and asked for training.</p> <p>Motion: request MTAC to send request to Board of Health to make request of legislature for a separate line item for stop the bleed training and kits to include law enforcement, first responders, school systems (school resource officers and school faculty).</p> <p>2nd: Ms. Kyle</p> <p>No further discussion. None opposed. Motion carries.</p>
<p>III d.</p>	<p>TQIP</p>	<p>Dr Donald states funding remains a concern with the implementation of TQIP. He has reached out to another state regarding a collaboration that they currently use. Will update as he receives additional information.</p>

Meeting Minutes

	AGENDA TOPIC	NOTES
III e.	EMS Field Triage Updates	<p>Dr. Donald reviewed Field Triage guidelines:</p> <p>Points of Discussion:</p> <ul style="list-style-type: none"> • Concern related to rural geography across the state • EMS crossing into different counties • Air medical availability across the state • Education related to best practices and guidance provided on when to bypass center • EMS providers understanding the capabilities at their local facilities
