

MISSISSIPPI STATE DEPARTMENT OF HEALTH

The Mississippi State Department of Health's Office of STD/HIV is seeking to fill an Epidemiologist vacancy.

The Epidemiologist will be responsible for carrying out a range of investigative and analytical epidemiologic activities related to the research, surveillance, detection, and prevention of sexually transmitted infections and HIV. Works as a team or project member, under the direction of a Senior Epidemiologist, conducting routine epidemiologic functions comprising surveillance, data collection, data analysis using basic epidemiologic methods, and assistance with epidemiologic investigations.

Must possess a bachelor's degree and 0-2 years of experience or a master's degree in a Public Health related field.

Additional skills desired: Experience in SAS, SQL, ArcGIS, Tableau.

Salary range: \$20.92 - \$27.45 per hour

Interested applicants should submit résumés to Eulondra.George1@msdh.ms.gov
